Barcelona, April 3, 2009

Dear colleague of the EJTN:

I enclose the description, the programme and an application form for the course **International Child Abduction: the new challenges** which, organised by the Spanish Judiciary School, will be held on June 10, 11 and 12 in Barcelona.

Registrations can be sent from **this moment until 27 April**, which is why we hereby urge you to distribute the information on this activity as much as possible among judges and prosecutors in your country.

Applications will be made through the enclosed registration form which will be collected by your permanent training centre. Your institution is asked to be so kind to send the application forms to the Judicial School by e-mail before the aforesaid date to antonio.marchal@cgpj.es, enclosing a list of the people who are interested in it arranged according to the priority of your institution.

I appreciate your cooperation.

Yours faithfully,

Antonio Marchal
