Objective

The purpose of this webinar is twofold: first, to introduce participants to the law and practice of cross-border civil procedures and, secondly, to improve their English-language skills.

Participants will be encouraged to solve practical case studies on the subject matter, while they will also receive the tools and develop the ability to communicate effectively in English in cross-border situations.

Who should attend?

Court staff who need to apply EU law procedures to fulfil judicial or procedural functions.

Interactive Webinar

The webinar will be hosted on ERA's own online training platform. You will be able to participate actively and interact immediately and directly with our top-quality speakers and other participants, break out into working groups and work on case studies and language exercises. We will make the most of the technical tools available to deliver an intensive, interactive training experience. As the platform is hosted on our own server, the highest security settings will be applied to ensure that you can participate safely in a high-quality training environment.
