

## EJTN/NSJ Ukraine - SSR Forensic investigation

### 1. Interpreting forensic evidence

Date: 9 August 2022 09.00 – 12.00 (CET)

Experts: Mr. Harry Stikkelbroeck, (Senior Justice and Vice president at Arnhem – Leeuwarden District Court, Chairman of the TBS Advisory Board on the Review of Leave from Detention under a Hospital Order) and Dr. Frans Alkemade, (Physicist, Director AFR, Senior Advisor at Dutch Ministry of Justice).

Aim & content (draft): The aim of this webinar is to provide an introduction to some of the dilemma's a judge encounters when assessing forensic evidence. It is a basic course on Evidence evaluation in practice: Fact finding in Criminal Law, Biases, evidence prejudice, Knowledge gap between expert and justice and vice versa, Correct (research) questions.

### 2. Assessing forensic evidence in court

Date: 25 August 2022 09.00 – 12.00 (CET)

Expert: Mrs. Doris Eerhart (International Forensic Advisor/Scientific Support Coordinator at the Netherlands Forensic Institute)

Aim & content (draft): This webinar aims to discuss what to address in court proceedings regarding war crimes when looking at forensic evidence. It is an introduction to the topic, with emphasis on Admissibility of evidence and the Chain of custody. Is the evidence provided done by the rules, and what conclusions must be drawn from it?
